

Studio 509 Kids Birthday Parties!

Studio 509 Kids parties last 90 minutes. The class portion is 45-50 minutes of dance/fitness. We keep them moving the whole time with fun music, easy to learn dances, hooping and a fun obstacle course. We tailor the play list for the birthday child so you can let us know your child's favorite songs and we'll incorporate those into your party play list.

For the last 45 minutes we spread a big tablecloth on the floor and the kids eat "picnic" style. You are welcome to bring in food and decorations of your choice. Typically families order pizzas, bring cupcakes and provide water or juice boxes. We discourage ice cream and open juice cups as they are difficult to clean in our setting.

We are there the entire time to help set up, serve and clean up!

Studio 509 Kids parties are \$225 for up to 12 kids, \$275 for up to 18 kids and \$325 for a max of 25. A \$50 non refundable fee is required in advance and the balance is due on the day of the party. Please sign the waiver below and send or drop off your deposit to 509 Valley Street Maplewood, NJ 07040.

Child's Name: _____ Age: _____

Party Date: _____ Party Time: _____ Number of guests: _____

WAIVER
